

## Beam Perks setup

# Getting started with Perks

Receiving and setting up your Perks\* is easy. Here's how it works.

## Create your Beam account

After you're enrolled with Beam, you will receive a welcome email with a prompt to create an account.

### 1 Welcome to Beam

Click "Create Your Account" and complete the prompts.

### 2 Opt in to Perks

When you login to your member account, you will be given the option to opt in to Perks for yourself and your dependents 4 years and older.

If you choose the Beam Brush, you will need to download the Beam App to confirm information and redeem the brush.

*You have 45 days from your insurance effective date to opt in to Perks for you and your dependents.*

### 3 Account creation reminder

If you haven't created an account by the time your insurance starts, you will receive an email prompting you to do so. You will be able to opt into Perks through this email as well.

*If you don't register for Perks within 45 days of your insurance starting, you'll need to contact support to register.*

## Perks shipping

We will send you an email when your Perks ship, which should be in about 2-5 weeks.

[Support@beam.dental](mailto:Support@beam.dental) | (800) 648-1179

\*Beam Perks® is provided by Beam Perks LLC. Members age 4 and up at the time of enrollment are eligible to receive Beam Perks® and must select their Beam Brush color within 45 days of enrollment to participate. If you do not have a mobile device you can obtain Beam Perks® by contacting Customer Operations at 1.800.648.1179. Beam Perks® can be obtained separately without the purchase of an insurance product by visiting [perks.beam.dental](https://perks.beam.dental). Beam Perks may be changed at any time without notice and is subject to availability. See [perks.beam.dental](https://perks.beam.dental) for Terms and Conditions.

## Set up your brush

To start using your Beam Brush, attach the brush head to the handle. Then, flip the battery in the base of the handle so that the positive charge is facing the bottom of the brush. Once you put the cap back on, the brush should buzz to confirm it's working.

**Remove cap**

**Remove battery**

**Flip & replace**

## Syncing your Beam Brush

### 1 Download the app

### 2 Sign in to the App

Use the email and password that you used while creating your Beam account.

### 3 Select "Set up your brush"

Make sure you keep your brush nearby and turn your phone's Bluetooth on.

### 4 Select the brush you want to set up

### 5 Select "Finish brush setup"

## Best practices

- The ADA recommends brushing twice a day for 2 minutes each brushing session\*\*\*.
- Leave your brush out in a well-ventilated area to dry in order to avoid bacteria growth.
- Check your app regularly to view points, sync brushing and redeem rewards#.

# Beam Perks is a voluntary program. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical advice. You should consult with an appropriate health care professional to determine what may be right for you. Rewards may be taxable. You should consult with an appropriate tax professional to determine if you have any tax obligations from receiving rewards under this program. If any fraudulent activity is detected (e.g., misrepresented brushing activity), you may be suspended and/or terminated from the program. If you are unable to meet a standard related to health factor to receive a reward under this program, you might qualify for an opportunity to receive the reward by different means. Contact us at 1 (800) 648-1179 and we will work with you (and, if necessary, your doctor) to find another way for you to earn the same reward. Availability and rewards may be limited due to incentive limits under applicable law. See <https://resources.beam.dental/content/perks-terms-and-conditions> for full program Terms and Conditions.
